

## The Adventure Continues...

Inspired by the award-winning computer and console game franchise, the *Mass Effect RPG* allows players to take on the role of their favorite characters within the *Mass Effect* universe. Confront unrelenting threats, safeguard the security of the galaxy, and adventure to far away worlds, both new and forgotten. This free RPG includes everything you need to create your own characters and take part in countless exploits. Powered by the Fate™ system, the *Mass Effect RPG* is suitable for new and experienced gamers alike.

The legend of Commander Shepard may be complete but yours is just beginning!
